METAMORPHOSIS

FOR YOUR OFFICE.

Like its namesake, the Firefly II is a mobile and dynamic stackable guest chair. Meant for versatile spaces such as conference rooms, meeting rooms, classrooms, and other flexible/collaborative spaces, the Firefly II will suit any need. Embrace change and movement with the Firefly II.

Firefly II 200
Black Plastic

MODELS

The Firefly II comes in a variety of models that allow you to perfectly match your space or just your mood. Ablex mesh in the 200M allows for dynamic, ergonomic support that cocoons the curves and movements of your back. Upholstered seat/back and chrome arms and legs in the 200UF lend a touch of class rarely seen in a stacking chair. Wheels allow for the possibility of office chair basketball. Why not?

Firefly II 200

The classic model with black plastic seat, back, and arms is a simple, no fuss solution that works in any setting.

Firefly II 200-CA

The dynamic wheeled legs are a step up from your average stacking chair. Wheels add a touch of extra freedom.

Firefly II 200UF-CA-CH

Upholstered seat/back and a chrome frame make for one sleek stacking chair. Wheeled legs add ease of motion and a smooth ride through the day.

Firefly II 200M-UFST-CH

Ergonomic Ablex mesh back and upholstered seat allows for maximum comfort.

DESIGN

Made to perfectly mix comfort and versatility, the Firefly II is lightweight yet supportive. Its Ablex mesh back and optional cushion will cocoon your body and reduce the buildup of pressure points in the back and legs.

Firefly II 200M-UFST-CH

DIMENSIONS DISCLAIMER

Dimensions are subject to change without notice.
Dimensions may have a variance of up to 0.5".
Contact Nightingale if more precise measurements are needed.

TEXTILE DISCLAIMER

Nightingale only upholsters with top quality materials.

Nightingale recommends ordering product samples at www.nightingalechairs.com/textiles before final purchase to get a more accurate representation of color. However, due to slight variations in dye lots, there can be slight color variations to received product.

Nightingale has made every effort to represent the colors and textures of these textiles, vinyls and leathers as accurately as possible. However, we cannot guarantee 100% accuracy, due to variations that occur in the printing process.
