# FEATURES

## ERGONOMIC BACK SUPPORT

Unique reclining motion of the back provides comfortable relaxed support.

## ENERSORB™

Our seat is made with our most durable and ultra-comfortable ENERSORB™ foam that improves blood circulation by reducing seating pressure points.

## AERATION

Perforated back enhances air flow and keeps the user cool and comfortable.

## FIXED ARMS

Fixed nylon arms.

## EASY TO MOVE

Lightweight design built with durable, smooth carpet casters.

## **FULL TILT**

The NXO's flexible, tilting back is unique among stacking chairs. Allowing for dynamic movement that supports the natural curve of your spine, the NXO facilitates ergonomic comfort packed into a minimalist frame.

## **SPACE SMART**

Folding seats allow the chair to nest horizontally or stack vertically (Max 3 High) atop one another for a smart storage solution.

**TEXTILE DISCLAIMER**

Nightingale only upholsters with top quality materials.

Nightingale recommends ordering product samples at [www.nightingalechairs.com/textiles](http://www.nightingalechairs.com/textiles) before final purchase to get a more accurate representation of color. However, due to slight variations in dye lots, there can be slight color variations to received product.

Nightingale has made every effort to represent the colors and textures of these textiles, vinyls and leathers as accurately as possible. However, we cannot guarantee 100% accuracy, due to variations that occur in the printing process.
